PROFESSIONAL SUMMARY

Undergraduate at IIT Patna proficient in C/C++, Data Structures, and Algorithms. Passionate about software engineering, competitive programming, and building efficient solutions utilizing full-stack web technologies to drive impact in the tech industry.

EDUCATION

Indian Institute of Technology (IIT), Patna

Bachelor of Technology, Civil Engineering

2025–2029

CPI: 8.54/10

LBS Senior Secondary School, Bhadra

Class XII (PCM)

Class X

Percentage: 95.60%

Percentage: 93.17%

TECHNICAL SKILLS

Programming Languages: C, C++, Python, JavaScript

Web Development: HTML, CSS, Full-Stack Concepts

Libraries & Tools: Git, GitHub, Raylib, AutoCAD

Core Competencies: Data Structures & Algorithms, Object-Oriented Programming (OOP), Quantitative Analysis, Competitive Programming (Codeforces, LeetCode)

PROJECTS

Snake Game Architecture

C, Raylib

- Developed a fully functional 2D Snake game utilizing the Raylib library in C with real-time frame rendering.
- Implemented collision detection algorithms, game loop logic, and a dynamic score tracking system.
- Strengthened understanding of low-level graphics programming, state management, and memory handling.

LEADERSHIP & EXPERIENCE

Google Student Ambassador

Google

- Selected for the 2026 cohort to spearhead the campus-wide integration of advanced AI tools, including Gemini, Canvas, Nano, and Veo.
- Tasked with leading peer-to-peer initiatives to embed Google's technological solutions into academic workflows and daily student life.

Campus Ambassador

Techfest, IIT Bombay

- Served as the primary liaison for Asia's largest science and technology festival at IIT Patna, orchestrating promotional campaigns and driving student participation.

Aspire Leaders Program

Aspire Institute

- Selected for a competitive global leadership curriculum, dedicating weekly hours to multi-disciplinary modules and case studies.

Professional Group Discussion

Sparkonics & iQOO

- Participated in an industry-led forum analyzing high-performance smartphone usage trends and future hardware expectations.

Bridge it Up Competition (Team Legends)

Samnivesha '26, IIT Patna

- Secured 2nd position overall by applying structural engineering concepts to construct a highly resilient and load-bearing model.

HONORS & AWARDS

- DST-INSPIRE Scholarship Eligibility:** Received official eligibility from the Govt. of India for ranking in the Top 1% of Class XII Boards.
- The Integral Cup 2026:** Achieved an All India Rank (AIR) of 62 in Round 1 of the competitive assessment.
- JEE Advanced:** Secured a Top 1% rank out of all participating candidates nationwide.
- Naukri Campus Young Turks 2025:** Scored in the 96.33 percentile in the comprehensive technical evaluation.

CERTIFICATIONS & WORKSHOPS

- Workshops:** Participated in ACM SIGMM Multimodal Reasoning Workshop, Droidrun DevSprint 2026, and Techquezt.
- Job Simulations:** Completed AWS Solution Architecture and Deloitte Tech Job Simulations via Forage (Oct 2025).
- Intellectual Property:** Completed 5-day certificate course on Patent, Trademark, and Industrial Design (2026).
